INTRODUCTION

What Is a Fake Book?

A fake book has one-line music notation consisting of melody, lyrics and chord symbols. This lead sheet format is a "musical shorthand" which is an invaluable resource for all musicians—hobbyists to professionals.

Here's how *The Easy Christmas Fake Book* differs from most standard fake books:

- All songs are in the key of C.
- Many of the melodies have been simplified.
- Only five basic chord types are used—major, minor, seventh, diminished and augmented.
- The music notation is larger for ease of reading.

In the event that you haven't used chord symbols to create accompaniment, or your experience is limited, a chord speller chart is included at the back of the book to help you get started.

Have fun!

2. They counted pennies for what seemed like years,
Then the cashier said, "Son, there's not enough here."
He searched his pockets frantic'lly,
Then he turned and he looked at me.
He said, "Mama made Christmas good at our house,
Though most years she just did without.
Tell me, sir, what am I gonna do?
Somehow I've gotta buy her these Christmas shoes."
So, I laid the money down.
I just had to help him out.
And I'll never forget the look on his face when he said,
"Mama's gonna look so great."

Additional Verses

3. 'Bring me flesh, and bring me wine,
Bring me pine-logs hither:
Thou and I will see him dine,
When we bear them thither.'
Page and monarch, forth they went,
Forth they went together;
Through the rude wind's wild lament
And the bitter weather.

4. 'Sire, the night is darker now,
And the wind blows stronger;
Fails my heart, I know not how;
I can go no longer.'
'Mark my footsteps, good my page;
Tread thou in them boldly:
Thou shalt find the winter's rage
Freeze thy blood less coldly.'

5. In his master's steps he trod,
Where the snow lay dinted;
Heat was in the very sod
Which the saint had printed.
Therefore, Christian men, be sure,
Wealth or rank possessing,
Ye who now will bless the poor,
Shall yourselves find blessing.
